

Our College

“Quiet Excellence. Powerful Impact.”

Sunrise College of Nursing is built on a simple philosophy—**to create professionals who combine knowledge with compassion and skill with integrity**. Every element of our institution reflects discipline, purpose, and a commitment to excellence.

At **Sunrise College of Nursing**, we don't just educate—we transform aspiring students into confident, compassionate, and highly skilled healthcare professionals. Rooted in strong academic values and driven by a passion for excellence, our institution creates a nurturing environment where knowledge meets real-world practice.

Recognized by the Government of Gujarat and approved by the Gujarat Nursing Council, the college upholds uncompromising academic and professional standards. Its affiliation with Shri Govind Guru University ensures a structured and respected academic foundation.

Learning here extends beyond classrooms. Carefully curated clinical exposure at Zydus Medical College and Hospital, Navadha Hospital, and community health centers shapes confident, capable, and composed nursing professionals.

“Defined by Standards. Distinguished by Outcomes.”
