

## Overview

### ***“Excellence in Nursing Education, Defined by Purpose.”***

Sunrise College of Nursing is dedicated to shaping a new generation of healthcare professionals who lead with knowledge, precision, and compassion. Built on a foundation of academic integrity and clinical excellence, the institution offers an environment where learning is both disciplined and transformative.

Recognized by the Government of Gujarat and approved by the Gujarat Nursing Council, the college maintains the highest standards of professional education. Its affiliation with Shri Govind Guru University ensures a structured academic framework and recognized qualifications.

With a strong emphasis on practical exposure, students are trained through established healthcare institutions including Zydus Medical College and Hospital, Navdha Hospital, along with community and primary health centers—preparing them to serve with confidence in diverse clinical settings.
