

“Service with Compassion and Excellence

MR. MITHALAL B. GANDHI
MANAGING TRUSTEE

It gives me immense pleasure to be associated with Sunrise College of Nursing, Dahod, an institution committed to excellence in nursing education and healthcare service. Our vision is to create a nurturing environment where students are empowered with knowledge, skills, and values required serving society with dedication and compassion.

We believe that nursing is not just a profession, but a noble service to humanity. At Sunrise College of Nursing, we strive to provide quality education, modern infrastructure, and meaningful clinical exposure to prepare our students for the dynamic healthcare environment.

Special emphasis is laid on serving the rural and tribal communities of Dahod and surrounding regions, ensuring that our students develop a strong sense of social responsibility along with professional competence.

I am confident that our institution will continue to grow as a center of excellence, producing skilled and ethical nursing professionals who contribute positively to the healthcare system.

I extend my best wishes to all students and faculty for their continued success.
